12      right to freedom of expression and of the press.

13              (5) Unrestricted access to news and information  
14      is a check on repressive rule by Vietnam’s authori-  
15      tarian regime.

16              (6) The Government of Vietnam is taking active  
17      measures to keep its citizens from freely accessing
